

**Good parents
want the best for
their children.**

**Yet, many are
unaware of the
damage done
by circumcision.**

**These parents
often become
“Regret
Parents.”**

**They wanted
the very best for
their child ...**

**and yet they
allowed him to
be wounded for
life.**

**The guilt and
rumination can
be devastating.**

**Let us treat
Regret
Parents with
compassion.**
